

ForceField® SoilBlaster™ Spotter

OVERVIEW

ForceField® SoilBlaster™ is the finest fabric and fiber cleaner on the market today. **SoilBlaster™** removes the toughest soils and stains from water-safe materials. Even old stains come clean. More than its ability to effectively clean, what makes **SoilBlaster™** so special is that stains will not reappear after cleaning because **SoilBlaster™** Does Not Leave a Residue. The cleaned area will actually repel dirt and grime to prevent re-soiling. There is no reason to rinse. Used by Professionals and has earned the **Carpet Rug Institute Seal of Approval** making **SoilBlaster™** compatible with Carpet Manufacturer's warranties AND has also earned the **New Zealand Wool Safe Approval Seal**. No other carpet cleaner has the high quality standards as **SoilBlaster™**.

HOW & WHY SOILBLASTER™ SPOTTER WORKS

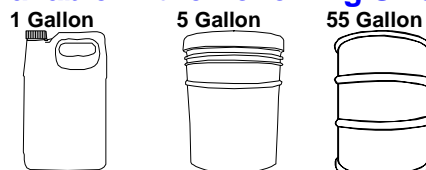

Most cleaning solutions are based upon cationic chemistry, that is, they contain positively charged cleaning agents that leave a residue. Although they clean with varying degrees of success, they leave behind a residue. This residue acts like a magnet and attracts soils and dirt causing re-soiling of the area. **SoilBlaster™** is different. By combining specially selected nonionic and anionic surfactants with our unique fluorocarbon anti-soiling chemistry, **SoilBlaster™** is able to deep clean upholstery, carpet and fabric fibers while leaving a protective treatment on the surface; AND WILL NOT LEAVE A RESIDUE. **SoilBlaster™** not only cleans, it Protects fibers and helps carpets, rugs, upholstery, and other fibers to stay cleaner, longer.

APPLICATIONS

SoilBlaster™ can be used on all water-safe fabrics, including upholstery, clothing, carpets, rugs, car mats, cushions, and more.

As a pre-spray allow **SoilBlaster™** to penetrate on the area for 5 to 10 minutes to penetrate into the fibers and loosen the soil. Used as a spotter spray spot or stain, using a clean cloth or sponge blot affected area. Allow the area to dry for 15 to 30 minutes. For stubborn stains, it may be necessary to repeat the cleaning process and/or softly brush the area during application.

Available in the Following Sizes

- **Penetrates Deep Into Fibers**
- **Contains ForceField® Soil Repellent & Stain Blocker**
- **Removes Both Oil- and Water-Based Stains**
- **Stains Will Not Reappear**
- **C.R.I. & WoolSafe® Approved – Safe for Carpets**
- **Use in Extraction Cleaners**
- **Protective Barrier Prevents Re-Soiling**

HMIS Health: 1 **Fire:** 0 **Reactivity:** 0

pH: 7.0 to 8.0

Solubility: Completely Water Soluble

Boiling Point: >100°C

Storage: Above 0°C, Below 50°C

Regulatory: Not Regulated

Appearance: Clear to Light Yellow Liquid

Odor: Pleasant, Fresh, and Clean

Specific Gravity: 1.00 +/- 0.02 (8.34 lbs/gal)

Chemical Family: Aqueous Surfactant Blend

Caution: Keep out of the reach of children.

Caution: Use on water-safe materials only.
